Power Outage April 29-30

At approximately 11:14 p.m. on Tuesday, April 29, portions of Boulder City experienced a power outage. The affected areas were west of Buchanan Boulevard and south of Jeri Lane. Cause of the outage was a failed cable on Stacey Lane.

City crews restored power by approximately 1 a.m. They then went back to complete the repairs, which were completed by around 3 a.m. on Wednesday, April 30.
