FOR IMMEDIATE RELEASE

D.A.R.E. Graduation

The Boulder City Police Department will hold the annual D.A.R.E. graduation for fifth graders of Martha P. King Elementary School and Grace Christian Academy on April 24, 2008, from 10:00 AM to 1:30 PM. The graduation will be held at the Boulder City High School football field at 10:00 AM, and then the graduates will walk across the street to Broadbent Park located at Sixth Street and School Drive in Boulder City to celebrate their graduation.

There will be games provided for the graduates and displays set up by the Boulder City Fire Department, The United States Marine Corps, National Park Service Rangers and Mercy Air Helicopter. There will also be a Police K-9 demonstration by the Boulder City Police K-9 Unit and a simulated automobile crash scene by the Boulder City Fire Department and Mercy Air.

The Boulder City Elks Lodge will be cooking food for the graduates, and prizes will be awarded for the games.

Parents and guests are welcome at the graduation exercise; however, the celebration in the park is reserved for the graduates and teachers only.
