**DMV Services at the BC Police Department
Suspended During August and September**

The DMV Services provided by appointment at the Boulder City Police Department will be suspended during the months of August and September, 2009. At this time while construction continues at the Police Department, it would be cost prohibitive to relocate the secure data line used in the operation of the DMV Services provided.

Chief Thomas Finn estimates that construction on the main level of the Police Department should be completed by the last week of September or the first week of October when services could continue.

For those residents who need DMV Services during this closure, the nearest full-service DMV office is located at 1399 American Pacific Drive, Henderson. Hours of operation are Monday through Friday from 8 a.m. until 5 p.m. and Saturday from 8 a.m. until 4 p.m.

For additional information regarding services that can be obtained on-line, visit www.dmvnv.com.
