Nevada Way Closure

Beginning Sunday, January 25 at 9 p.m., Nevada Way at Elm Street will be closed to traffic in both directions until 5 a.m.

This closure will remain in effect through Wednesday, January 28. The street will be open to traffic at 5 a.m. on Thursday, January 29.

Detours will be set up during these times and all business owners notified.

This closure is necessary because of the construction on Elm Street where the contractor will be installing the concrete storm drain pipe that completely crosses Nevada Way.
